Sub: Establishment - temporary addition to the cadre of Junior Inspectors under Fundamental Rule 127 - sanction requested.

The South Kanara Agriculturists Co-operative Whole Sale Society Ltd has recently expanded its business and has opened as many as 49 branches throughout the District. It is not therefore, possible for the regular audit staff to audit the accounts of all the branches and of the head office at Mangalore. In view of the large transactions, the large number of branches and the time involved ~~and the~~ in touring the district for purposes of audit it is necessary and desirable that the society has 2 auditors exclusively for itself. The society has, therefore, applied to me under Fundamental Rule 127 for the services of 2 Junior Inspectors to work as its auditors. It has agreed to pay the cost of the Inspectors including their travelling allowance and the leave salary and pension contribution. I therefore request that the Government may be pleased to sanction 2 posts of junior inspectors under Fundamental Rule 127 as a temporary addition to the cadre of junior inspectors in the scale of Rs.35-5/2-75, for a period of one year from the date of employment.

2. It may not be possible to meet the cost of this staff out of the existing provision in the Budge Estimate for 1940-41 I shall apply for additional allotment if necessary in February 1941.

To U.S

The proposal is to sanction the employment (under F.R. 127) of two junior inspectors of Co-operative Societies for a period of one year from the date of appointment to audit the accounts of the South Kanara Agriculturists Co-operative Whole Sale Society Ltd and its branches. The Society has agreed

para 2 m p. 5 C.F to meet also the overhead cost of audit including supervision ~~if the junior inspectors are to be deputed to be employed under the Society under Fundamental Rule~~ under F.R. 127.

The general question of recovery of the overhead cost of audit from all societies to which separate audit staff has been sanctioned under F.R. 127 is (separately) under consideration. The orders passed on the general question will apply to this case. ~~It is now on file under Dev. No. 27707-B/40-2.~~ The file may be sent to Finance ~~when it may be ever took at last~~ for acceptance of the Registrar's proposal.
